Menurut Dodik, pencapaian tersebut tidak terlepas dari dukungan manajemen serta kolaborasi berbagai fungsi di dalam perusahaan. Keberlanjutan, kata dia, perlu ditempatkan sebagai bagian dari strategi perusahaan dan bukan hanya menjadi program yang berdiri sendiri.

Pengakuan melalui Katadata SAFE sekaligus memperkuat perjalanan Avian dalam membangun praktik ESG yang lebih terstruktur. Bagi perusahaan, berbagai penghargaan dan pemeringkatan ESG menjadi momentum untuk terus melakukan perbaikan, meningkatkan transparansi, serta memperkuat kontribusi terhadap pembangunan ekonomi yang berkelanjutan.

According to Dodik, this achievement would not have been possible without management's support and collaboration across various functions within the Company. Sustainability, he said, needs to be positioned as an integral part of the Company's strategy rather than merely as a standalone program.

The recognition received through Katadata SAFE further strengthens Avian's journey in developing more structured ESG practices. For the Company, awards and ESG ratings provide momentum to drive continuous improvement, enhance transparency, and strengthen its contribution to sustainable economic development.
